Tax. Specifically car tax, or what is dressed up as the Road Fund licence is certainly not Road Tax anymore. As we know, nothing gets spent on the roads just take a look at what's outside your house. Probably a pothole or three. The thing is, have you looked at the new tax regulations? They are as clear as mud. All you can rely on is the simple fact that never mind what you have previously paid, it is inevitably going to be more. Also if you thought an electricity car put you in the clear, well, not any more. Click on the pics. See you next time...

FCM 143

Free Car Mag continues the fight for motoring freedom, sticking up for drivers and those who want the freedom to choose what to drive and when to drive it. There will be stories that can't be read anywhere else and that should be reason enough to come back for more.
